

Environmental Literacy & NGSS

ENVIRONMENTAL PRINCIPLES AND CONCEPTS

What better place to find natural phenomena than in your local environment? Discover how Environmental Literacy skills are powerful tools to help students experience meaningful three-dimensional science & engineering learning. Participants will walk away with no cost access to Education and the Environment Initiative (EEI) content materials to support NGSS and History/Social Science instruction.

Professional Learning Opportunity in the Inland Empire

Choose the session that is right for you! We are offering sessions in Riverside & San Bernardino counties for different grade level spans. There is also a session designed specifically for High School educators who teach Science OR History-Social Science*.

All participants in the trainings will be able to order up to two *free* EEI Curriculum Units. If you have any questions, email CREEC Region 10 Coordinator Mary Walls at mary@creec.org

Cost for each session: \$25.00
