

# California Education and the Environment Initiative (EEI), WILD Aquatic and Project WET Workshop

Join us at the Chico Creek Nature Center for this exciting workshop where you will learn how to enhance water, science, and mathematics education using the hands-on activities of EEI, Aquatic WILD and Project WET combined with a unique Nature Center twist.

This workshop will include inventive ways for educators to use these curricula to connect students to our amazing local environment and waterways.

Join us at the Chico Creek Nature Center for a day of education and fun and receive **free** Aquatic WILD and Project WET 2.0 guides and access to California EEI units when you complete the training.

Continuing education units are also available through CSU San Marcos for an additional fee.

**Saturday, April 14 from 9:00 AM to 4:00 PM.** Registration fee of **\$40** includes coffee and snacks. Please bring a lunch.
