

Free EEI Curriculum Training

Hosted by the City of Chico

Come learn about the Education and the Environment Initiative (EEI), a free curriculum that teaches critical-skills in science and history-social science using the environment as a lens.

Date: Wednesday, August 8, 2018

Time: 9:00 AM- 12 PM

Cost: Free!

Where: City of Chico - Council Chambers
Conference Room 1

Address: 421 Main Street, Chico, CA 95928

Registration: Please register early. Register by [clicking here](#) or copy and paste this address:

<http://survey.sogosurvey.com/k/SsSYROsQRsPsPsPsQWTQUYYSX>

In this training, we will highlight:

- The EEI Curriculum's history and the state's vision for environmental literacy.
- How the EEI Curriculum helps students build critical 21st century skills such as problem solving, communication and collaboration.
- Common Core and Next Generation Science Standards support.
- How you can order your very own free EEI Curriculum units.
