

Sticks, Sticks, Pick up Sticks

Author: Fred Wilson

**Sticks, Sticks, Pick up Sticks
Made of wood, both thin and thick.**

Where do they come from

All these sticks?

From the trees, big and tall,

Deep in the forest

See them fall.

Buzz. Buzz. Buzz.

Hear the saw.

Big sticks, small sticks,

Round sticks, too.

From forest and farms

Cut down for you.
